## INTERNAL QUALITY ASSURANCE CELL

### Action Taken Report on Feedback Analysis (2020-2023)

The feedback collected from various stakeholders was analyzed and suggestions were discussed with college authorities and then appropriate actions were taken. As per feedback analysis report of students, about 77% of the students are satisfied with teaching and that syllabus of various courses is covered within the given time frame in class. 60.875 % of the students agreed that the institute takes active interest in promoting internship, and field visit opportunities for students. 75% of the students agreed that professors' follow-up with assignments and project works 76.125% students are strongly satisfied with the overall quality of education of the institute.

S.No	Feedback/ Suggestion from the students	Action Taken
1.	New teaching techniques, ICT tools should be used.	As per suggestion given by students. Principal conducts meeting with IQAC members and HOD's in the academic session to encourage faculty members to use more ICT tools along with blackboard teaching. Projectors are installed in college certain rooms. A digital classroom is set up in college. Two new digital computer labs are under construction.
2.	Recent research developments and practical should be added in the curriculum.	To give practical exposure to the students, extra-curricular activities/seminars/workshops are organized by different departments. To enhance the practical knowledge of students project work/assignments are introduced in various courses. Guest lectures are also organized by various departments.
3.	Educational trips should be organized	Regular field visits/wildlife sanctuaries/industrial visits are organized for the students.
4.	Students must be given instruction related to government jobs	Career Guidance cell and placement cell continuously provides information and instructions to students about various private and government jobs. Career counseling seminars are organized to help students explore the future opportunities.
